1 Purpose

One of our goals is for each franchisee to open up their business both efficiently and economically. Efficiency can be gained through use of this guide. We have compiled a complete listing of equipment and potential equipment for you to open your Monkey Bizness with.

We have also designed this guide so that the process of purchasing your equipment can be done in as economical way as possible. We have listed both required and suggested suppliers and have given you the ability to choose your own vendor where it makes sense.

How to Use this Guide

This guide is broken into different sections by supply and equipment category. Each section contains a table. Below is a key/guide to using this table.

Description	Item #	QTY	Vendor	Ven R/S	Item R/S	Price	LMB	BMB	Date Ordered	Date Expected

- Description Description of the item, including the manufacturer
- Item # Manufacture’s Item #
- QTY Quantity required or suggested
- Vendor Vendor for the item
- Sup R/S Details whether the vendor listed is required (R) or suggested (S)
- Item R/S Details whether the item is required (R) or suggested (S). An item marked with an “O” is optional and neither required or suggested.

<u>Price</u>	Price listed with the vendor detailed in the “Vendor” column. This can be used as a guide in cases where you choose to use a different provider than the suggested vendor.
<u>LMB</u>	Notes if the item is used in Little Monkey Bizness model
<u>BMB</u>	Notes if the items is used in Big Monkey Bizness model
<u>Date Ordered</u>	Column can be used for your reference to note when you ordered the item
<u>Date Expected</u>	Column can be used for your reference to note when you expected to receive the item

Each page will also give an estimated total cost. This cost may fluctuate significantly based on the vendors you choose or changes in the pricing from the date of publication of this guide. We do not guarantee that you will spend the estimated total cost. This price does not include any shipping or sales tax costs.
